|------------------|--|--------|--|
| Name             |  |        |  |
| Title            |  |        |  |
| Position         |  |        |  |
| Organisation     |  |        |  |
| Business Address |  |        |  |
| Business Phone   |  | Mobile |  |
| Email            |  |        |  |

### Supporting Statement

A supporting statement is required from:

- i. the nominator
- ii. the independent senior researcher in the field.

In lay-terms summarise how the nominee's publication(s) has advanced our understanding of cancer biology, aetiology, policy, prevention, early detection, diagnosis, management or treatment, health services, improvement of quality of life for cancer patients or palliative care

For example, this statement may highlight the nominee's:

- i. Contribution to cancer research in Victoria and internationally
- ii. Potential of published research to innovate patient care and/or health service improvement
- iii. Evidence of collaboration
- iv. Community outreach/advocacy

Please provide these statements on company letterhead and sign and date your statement.
